How Women Rise in Our Overseas and Home Offices

What does it take?

Leadership Challenges:
- Small Peer Groups
- Gender Blunders
- Collaborative Leadership

Women

"Being a woman can bring a warmth that can bridge cultures."
- Sue Smalling, AR Associate

"Persuere until you reach your goal, use every stumbling block to make yourself better."
- Kim Black

"Operate not in the way things are but the way things should be."
- Kelly Salminen, Board

"The more tolerant, more accepting you are, the more you are able to understand your personal biases."
- Dr. Linda Meadow, Past Practice Institute
