SPECIAL EVENT

Tuesday, November 7
9:00 AM - 5:00 PM, Hilton – Holiday Ballroom 4 (East Building, Second Fl)
Abt Associates/Health Finance and Governance Project - Malaria Economic Research Community of Practice Side Meeting

SYMPOSIUM

Wednesday, November 8
10:15 AM - 12:00 PM, Room 318/319/320 (Level 300)

Symposium: Innovative Approaches to Monitor Resistance and Resistance Management for Effective Vector Control
Abt Session Organizer: Dereje O. Dengela
High intensity pyrethroid resistance and emerging resistance to carbamates and organophosphates – a major threat to malaria vector control
Abt Panel Presenter: Aklilu Seyoum

PANEL PRESENTATIONS

Wednesday, November 8
10:15 AM - 12:00 PM, Ballroom III (Level 400)

Impact of indoor residual spraying with Actellic 300CS in Mali on key entomological indicators of malaria transmission
Abt Presenter: Arthur Sovi

The impact of indoor residual spraying (IRS) with pirimiphos-methyl on entomological indices in a malaria hyperendemic region of western Kenya
Abt Presenter: Bernard Abong’o

POSTER PRESENTATIONS

Monday, November 6
Poster Session A, 12:00 - 1:45 PM, Convention Center Hall F and G

185 - Insecticide resistance status of three malaria vectors: An. gambiae s.l., An. funestus and An. mascarensis from the South, Central Highlands and East Coasts of Madagascar
Abt Presenter: Jean D. Rakotoson

211 - The role of Anopheles gambiae, Anopheles arabiensis and Anopheles coustani in indoor and outdoor malaria transmission in five ecological zones of Nigeria
Abt Presenter: Aklilu Seyoum

213 - Entomological surveillance of malaria in Burundi: an important step for the success of vector control strategies
Abt Presenter: Virgile A. Gnanguenon

Follow @abtassociates on Twitter for updates on #TropMed17
Tuesday, November 7
Poster Session B, 12:00 - 1:45 PM, Convention Center Hall F and G

Presenters: Francis Wat’senga, Emile Manzambi, Institut National de Recherche Biomédicale, Kinshasa, DRC

858 - Insecticide resistance status, intensity and mechanisms of An. gambiae s.l. in southern and central Mali between 2014 and 2016
Abt Presenter: Arthur Sovi

868 - Pyrethroid Resistance Intensity and Mechanisms of Insecticide Resistance in the Malaria Vector Anopheles gambiae s.l. in Selected Districts in Northern Ghana
Abt Presenter: AKlilu Seyoum

Wednesday, November 8
Poster Session C, 12:00 - 1:45 PM, Convention Center Hall F and G

1608 - Cost and Effectiveness Analysis of Malaria Control in Senegal: “Theoretical” Single Interventions vs. “Actual” Packages of Interventions
Abt Presenter: Sophie Faye
